# BIOGRAPHY

Born in 1980 in Paris and raised in Anjou, Camille Marthe has always been attracted to art.

In 2018, she upgraded her craftsmanship with master sculptor Adrien Coroller, from whom she was able to learn art history and drawing, to try out various mediums and techniques and specializes in painting & modeling.

In 2022, she clarified her path by choosing her favorite material : plaster combined with leaf gilding.

She undertakes the creation of a series of sculptures where she uses light as a medium in itself and where reflections and golden shadows are then used in a show/hide game and which tames their lights.

With a sensitive approach and a sure gesture, Camille Marthe gives life to her works.

Camille Marthe lives and works in Audierne, Finistère.
